

Preschool and Toddler Programs

Before and after program care agreement:

Families need to provide the school with a schedule for when they need care for their children before and after program time. We provide care from 7:30-9 and from 3-5:30 for the fee of \$4.65 per hour. Please let us know which days and times your child will need care on the form below. This is to ensure we have the correct number of staff to meet your needs and also to adhere to ratio regulations.
