Mission Statement:

The mission of the Alfred Montessori School is to create a loving and nurturing environment where the children "learn, grow and become" their own productive beings. The school also strives to be flexible regarding our families' needs while having a positive impact on our community.

Montessori education for all children is based on these concepts:

1. The aim of Montessori education is to foster autonomous, competent, responsible, adaptive citizens who are life-long learners and problem solvers.

2. Learning occurs in an inquisitive, cooperative, and nurturing atmosphere. Students increase their own knowledge through self and teacher initiated experiences.

3. Learning takes place through the senses. Students learn through manipulating materials and interacting with others. These meaningful experiences are precursors to the abstract understanding of ideas.

4. The individual is considered a whole. The physical, emotional, social aesthetic, and cognitive needs and interest are inseparable and equally important.

5. Respect for oneself, others, the environment, and life is necessary to develop a caring attitude toward all people.

Hours:

In our Infant classroom we do not differentiate between "school hours" and before/after care hours as we do in the Toddler and Preschool classrooms. Tuition covers the full day (8:00am-5:00pm) **until your child moves up to the Toddler classroom.** When your child transitions to the Toddler Class (at 18 months of age) there are before and after school care fees. Your child can attend 3, 4, or 5 days per week, depending on what works best for your family.

Tuition:

Tuition is determined on a yearly basis; however we divide the cost among 10 months so that the monthly fee remains consistent even when the number of school days per month is not always the same.
